Harris County MUD No 261 Garbage Collection Service Guidelines

COLLECTION DAY: MONDAY AND THURSDAY

Please be sure your waste is placed by the curb by 7:00 AM on collection day.

Waste Management furnishes each homeowner a 96-gallon poly cart, with a GREEN lid, for the collection of household garbage, grass clippings, leaves, branches and tree trimmings. Collection shall be limited to the waste cart per collection and shall be placed at the curb.

CART PLACEMENT:

Collection is performed in an automated side load truck as pictured above. Please place your cart within 1 foot of the curb with the opening facing toward the street. Carts should be placed at least 4 feet away from any obstructions (such as vehicles or mailboxes). Vehicles parked too closely to a collection cart will prevent service of the cart.

BULK TRASH COLLECTION: 2nd Thursday of each month

Eight (8) items or three (3) cubic yards once per month

Acceptable items include moving boxes (please break them down and bundle them), old furniture, appliances, grass clippings, leaves, branches and tree trimmings. Personal containers not to exceed 35 gallons.

Important! *For the safety and protection of our employees and equipment, we do require that branches and tree trimmings be no greater than three inches (3") in diameter and be cut, tied and bundled in four-foot (4') lengths weighing no more than forty to fifty pounds (40-50 lbs.)*

Please note! *WM can no longer dispose of CFC refrigerant containing items (i.e., refrigerators, freezers, etc.) without certification that the Freon has been properly removed and recycled, pursuant to current Federal law.*

UNACCEPTABLE ITEMS

Electronic Waste (i.e. Televisions/Computer monitors)

Construction Debris (i.e. paint & carpet)

Gasoline & Oil (cans/filters)
